- permit fact sheet
- completeness checklist
- DEP addresses and phone numbers

Introduction

DEP *Permit Applications*, as well as *Instructions & Support Materials*, are available for download from the DEP Web site at mass.gov/dep in two file formats: Microsoft Word and Adobe Acrobat PDF. Either format allows documents to be printed.

Instructions & Support Materials files in Microsoft Word format contain a series of documents that provide guidance on how to prepare a permit application. Although we recommend that you print out the entire package, you may choose to print specific documents by selecting the appropriate page numbers for printing.

Permit Applications in Microsoft Word format must be downloaded separately. Users with Microsoft Word 97 or later may complete these forms electronically.

Permitting packages in Adobe Acrobat PDF format combine *Permit Applications* and *Instructions & Support Materials* in a single document. Adobe Acrobat PDF files may only be viewed and printed without alteration. *Permit Applications* in this format may not be completed electronically.

Permit Fact Sheet

1. What is the purpose of this permit?

This permit serves to protect the public's health and welfare through the control of any product or operation that comes into contact with public drinking water. These products and operations must be controlled to prevent contaminants from leaking into the drinking water as well as to ensure that the products and operations work as designed. This permit consists of an approval for vending machine installation previously approved by Boston DEP. Regulatory authority for this permit is stated in 310 CMR 22.04 (6), of the Drinking Water Regulations.

2. Who must apply?

Facility owners, manufacturers or their representatives who want approval of a vending machine.

3. What other requirements should be considered when applying for this permit?

If facility owners, manufacturers or their representatives apply for this permit as part of a facility modification it may also be necessary for them to apply for other DEP water treatment permits, e.g. BRP WS 09, 21, 22, 23, 24, 25 or 29.

Note: These additional requirements are intended to serve as a guide to the applicant. It does not necessarily include all additional requirements.

4. What is the application fee?

The application fee is \$240.
